About This Study

Commissioned by The Ferrowick Foundation and prepared by the Narragansett Bay Policy Lab, this study compares conditions for children and families in Newport's North End with the rest of Aquidneck Island and the state across eight areas of well-being.

Indicators (illustrative)

Area	North End	Rest of island
Children in families below poverty	31%	9%
Third graders meeting reading expectations	29%	57%
Households spending >50% of income on rent	38%	17%
Adults without a usual source of care	19%	8%
Chronic absenteeism (K–12)	27%	13%
