The Ferrowick Foundation

Program Officer

Full-time, exempt

About the Position

The Program Officer works with applicants and grantees across all four Focus Areas, guiding organizations through the Foundation’s results-based application process and monitoring grant progress.

Responsibilities

- Respond to inquiries from potential applicants and advise on alignment with Foundation targets
- Review proposals, conduct site visits and prepare recommendations for the Board
- Review progress and final reports and track results
- Represent the Foundation in community partnerships and collective impact initiatives

Qualifications

- Five or more years of experience in nonprofit programs, philanthropy or public service
- Knowledge of outcome measurement
- Excellent communication skills; familiarity with Aquidneck Island communities preferred

Compensation

Competitive salary and benefits commensurate with experience.

To Apply

Send a cover letter and résumé to info@example.org with “Program Officer” in the subject line.
